2019-20

Presenting I-lam another master creation from the House of Airolam. A brand that effortlessly amalgamates art and innovation creating a beautiful laminate solutions to spread harmony in your ambience. Let every living space be adorned by the enchanting designs of I-lam and see them shining with grandeur and glory. I-lam inheriting the values of perfection, durability and quality from the parent brand. Airolam's strength comes from its product offerings, efficiencies in manufacturing, distribution network, quality consistency, brand equity and above all from its young and motivated team of professionals.

Our Network

Airolam, has the largest and widest distribution network of over 15,000 distributors, dealers, and retailers across the country. Besides, it exports to 11 countries. With 18% share in the organized domestic market, Airolam is the largest laminate player in the country.

Manufacturing Facilities

Airolam's products are produced in the state of the art manufacturing facility situated in Gujarat. Airolam is an environmentally responsible company that takes the role of a leader with the belief of leading by an example. From the very first step in the manufacturing process to the final product, everything is carefully monitored and meticulously scrutinized for quality. The idea is to develop a range of products that last for years while minimizing environmental pollution. Our superior design, quality, systems, and environmental commitment are awarded with ISO 9001, ISO 14001, GREENLABEL, GREENGUARD and FSC certification. Airolam also meets rigid international quality standards like NEMA (National Electrical Manufacturers Association) of the US and BS-1406 (British Standards) of the United Kingdom, accordingly.

SQUASH OAK
